APPLICATION FOR TRANSFER FOR A SURFACE MINE PERMIT

This application can be used to obtain a transfer of an existing permit when no change to the mining plan is proposed.

Submitted pursuant to

Title 15, Subtitle 8, of the Environment Article

Annotated Code of Maryland

GENERAL INFORMATION

Read the instructions thoroughly before completing.

The following information must be submitted for Department review and approval prior to the transfer of a surface mine operation permit. The information, upon its' approval will become a part of the permit.

1. **Application**
 - a) Transfer application
2. **Maps and Drawings** - must be submitted by the prospective permittee. The drawings must be identical to those that are currently on file and a part of the permit. The title block should be revised to show the prospective permittee's name and the signature revised to the new permittee.
3. **Right of Entry Agreement** - (Separate form)
4. **Performance Bond**

Before the permit may be transferred a performance bond payable to Maryland Department of the Environment must be filed with the Administration in the amount of \$1,250 per acre.
5. A surface mine license if the applicant does not have one.
6. **Filing fees** as outlined on page 5 should be included in the form of a check or money order made payable to the Maryland Department of the Environment. Send all payments to the following address: Department of the Environment, P. O. Box 1417, Baltimore, MD 21203. Refunds of fees will not be made if the application is refused or denied.
7. You must provide written confirmation from the current permittee that they agree to the transfer.

INSTRUCTIONS FOR COMPLETING TRANSFER FOR A SURFACE MINE APPLICATION

Items 1 & 3 Applicant's name and address shall be the same as that provided on the **Application for License to Surface Mine**.

- Item 2 List the number on the operator's/applicant's current License to Surface Mine if applicable.
- Item 5 Provide the commonly used name of the operation. For example: #1 pit or Smith Tract. This will help when an applicant is working more than one site.
- Item 6
- a. County in which operation is located
 - b. Describe the location by giving accurate travel directions from the nearest town. For example 2.8 miles South of Norrisville on Norrisville Road, 1.2 miles East on Harkins Road.
- Item 7 List the name and address of each of the owners of the land for which a permit is requested. If the applicant is the sole landowner, designate by "applicant".**
- Item 8 List the name and address for those persons who own the mineral rights associated with the operation. If the applicant holds the mineral rights designate by "applicant".
- Item 9 Provide the commercial name of all products being mined. For instance; glass sand, brick clay, ceramic clay, etc. Also, give a geologic description of the mineral being mined, if known.

The submitted form must have an original signature, not a photocopy.
